

Horse Management in the Florida Environment

Roy Beckford
Ag/Natural Resources Agent
UF/IFAS Lee County

Equine Dentition and Care

Pasture and Forage Crops For Horses

Pasture Renovation

External Parasites Around Animal Facilities

Blister Beetles

- 26 Species in Florida
- Produce blistering from hemolymph
- May cause fatal poisoning of horses when swallowed in baled alfalfa

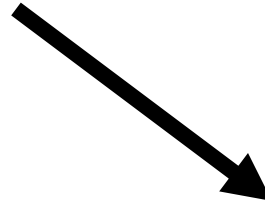

Guidelines for Wound Management of the Horse

Basic Hoof Care for Horses

Composting Horse Manure

Would people buy your value-added horse manure?

"What beautiful roses,
what's your secret?"

Thanks!!!
