GENERAL INFORMATION

Nitamin Nfusion® 22-0-0 is a liquid fertilizer developed by Georgia-Pacific. The patent-pending Steady-Delivery® fertilizer is recommended for row crop, turf, vegetable, and fruit applications. Nitamin Nfusion is a saturated polymer solution. It can be blended with liquid urea, ammonium nitrate, and UAN, as well as most phosphorus, potassium, and sulfur sources, but only to their solubility thresholds. Nitamin Nfusion will lower the freezing point of many blends. If Nitamin Nfusion is being used as a portion of the nitrogen in a NPK blend, it is compatible with most nitrogen sources. Nitamin Nfusion can be mixed with most common pesticides, herbicides, and fungicides. However, a jar test should be used to confirm compatibility. Nitamin Nfusion should not be mixed with strong acids (e.g. phosphoric) as product degradation will occur and the fertilizer will precipitate.

APPLICATION RECOMMENDATIONS

Please refer to your local dealer representative for application guidelines.

FIRST AID PROCEDURES

EYES: Immediately rinse with water. Remove contact lenses. Hold eyelids apart and flush eyes with water for at least 15 minutes. Get immediate medical attention. **SKIN:** Wash skin thoroughly with soap and water. Get medical attention if irritation persists. **INHALATION:** Move person into fresh air. Rest in half-upright position. Get medical attention if necessary. **INGESTION:** If conscious, immediately rinse mouth and give large quantities of water. Get immediate medical attention.

PERSONAL PROTECTIVE EQUIPMENT

Wear eye protection and chemical-resistant gloves when handling this product.

STORAGE & DISPOSAL

Do not store below 20°F. Do not store in direct sunlight. Keep in a cool location out of reach of children and animals. Dispose of empty containers by triple rinsing and discard empty containers in a landfill in accordance with current local, state, and federal regulations.

In case of transportation emergency, contact CHEMTREC at 800.424.9300.

NOTICE OF WARRANTY

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
