This seminar is intended to help you select and maintain healthy citrus trees, while producing high yields year after year.

**Agenda:**
1:00—1:50 p.m. Citrus Varieties for your Yard: Fertile and self-incompatible cultivars, Dr. Bob Rouse
2:00—2:30 p.m. General Care of Young and Mature Trees, Dr. Bob Rouse
2:40—3:10 p.m. Dealing with Insect Problems, Dr. Mongi Zekri
3:10—3:35 p.m. Dealing with Disease Problems, Dr. Mongi Zekri
3:40—4:15 p.m. Citrus Canker and Citrus Greening Diseases, Dr. Mongi Zekri

**Speakers:**
Dr. Rouse is the University of Florida citrus specialist at the Research and Extension Center in Immokalee. Dr. Zekri is the University of Florida multi-county citrus agent for southwest Florida.

**Where:**
Lee County Extension, 3406 Palm Beach Blvd., Fort Myers, 33916

**Cost:**
$8.00 per person.

**CEUs:**
2 CEUs for O&T, Limited Landscape, Limited L&O, Private Applicator, and PCO have been requested to count toward recertification of your pesticide license. 3 ISA CEUs have also been requested.

**Registration:**
To register by phone, call Claudia at (239) 533-7514. Please pay at the door. Checks should be made payable to LCOEAB.
