Instructor: Stephen H. Brown,
Lee County Horticulture Agent

Who Needs This License?
If you cut lawns and maintain ornamentals around houses and which to apply pesticides, including Round-up, on the job, then this six-hour class is a requirement before obtaining the Limited Commercial Landscape Maintenance license (erroneously called the Roundup license.) With this license you will be able to spray herbicides, fungicides and insecticides on landscape plants but not on turfs nor lawns. Four CEUs are required for annual renewal of this license.

CEUs: For this class, 3 of Core and 3 each of limited commercial landscape maintenance, limited lawn and ornamental, ornamental and turf, and right-of-way
