

# What's Blooming?

Early May, 2010

# Gladiolus

# Gladiolus Hybrids

Stephen H. Brown  
Lee County Extension  
Southwest Florida

# Gladiolus

- Gladiolus production was once a viable commercial industry in Lee County
- Gladiolus can be planted anytime of the year.
- Flowers are expected 60 to 90 days after planting from corms.
- Disease problems may occur in wet weather.

Lakes Park, Lee County, Florida. A Master Gardener project.
